Greetings ULu students, members, and friends,

I just wanted to update everyone concerning the happenings at ULu. Two weeks ago we had a solemn, reflective, and thankful closing Divine Service at 100 S. Chauncey. We were thankful that a number of alumni were able to visit for this special service.

We are still holding Bible studies at 100 S. Chauncey through the summer unless something changes with the move. Those Bible Studies are on Mondays and Wednesdays both at 7PM. Mondays, Pastor Barton continues leading us through Luther's Smalcald Articles and on Wednesdays I am leading us through a Bible Study titled Wilderness Wanderings where we seek God's direction in the midst of change.

In other news at 100 S. Chauncey, we have begun to pack and things are moving quickly. But even in the midst of the packing we are still holding office hours from 12-4 Monday through Friday and drop-ins are always welcome.

At the new location at 460 Northwestern construction on the sanctuary is well on its way. I have included some photos below to show you the progress that is being made. I will try to show you more photos from time to time as the summer rolls along.

If you are in town on a Sunday be sure to visit <http://ulupurdue.org/worship-schedule> to see where the members of ULu will be worshipping when you are in town. It would be great to see you!

God bless you in Christ,

A handwritten signature in black ink that reads "Justin A. Herman".

Pastor Herman
